contenitori — 261

Serie di mobili contenitori in cristallo temperato, laccato lucido o opaco, incollato a 45°, con interno in legno nobilitato colore antracite opaco e ripiani in cristallo trasparente extralight 10 mm temperato. Il fondo dei cassetti è in cristallo nella stessa finitura dell'esterno del mobile, mentre i vani chiusi dalle ante sono rivestiti in specchio (no spalle). I codici MGB02-04-08-13 sono sostenuti da sottili gambe in metallo cromato lucido o da due lastre di cristallo trasparente extralight temperato. Sistema di apertura push-pull per ante e cassetti. A richiesta i modelli con le ante (ad eccezione di MGB05 e MGB06) sono forniti con fori passacavi nelle basi, a scelta nel vano di dx, di sx o in entrambi. Il modello MGB14, uguale a MGB12, va appeso a parete.

Finiture: Cristalli laccati lucidi, Cristalli laccati opachi.

Series of storage furniture in tempered glass, glossy or opaque lacquered, glued 45°. The interior is in laminated opaque charcoal coloured wood and shelves in 10 mm thick transparent extralight glass. The bottom of the drawers is in glass in the same finish as the outside, while the compartments with doors are covered with mirror (no sides). The codes MGB02-04-08-13 are supported by a base with thin legs in glossy chromed metal or by two slabs of tempered extralight glass. Push-pull opening system for the doors and the drawers. On request, the models with doors (except for MGB05 and MGB06) are provided with cable outlets in the bases, that can be available in the right or left compartment or in both of them. The model MGB14, the same of MGB12, is hung on the wall.

Finishes: Glossy lacquered glass, Opaque lacquered glass.
