Level

1. Rilevare le misure del vano e confrontarle con quelle riportate sul disegno di progetto allegato.
1. Check the measurements of the compartment and compare them with those reported on the drawing indications attached.

2. Fissare il profilo a soffitto ed il profilo a pavimento. Verificare la distanza laterale per l'inserimento delle ante.
2. Fix the profile to the floor and to the ceiling. Check the lateral distance to insert the doors.

**3. Infilare l'anta nei profili.**  
**3. Let the door slip into the profiles.**

4. In caso di composizione con più ante, seguire la numerazione delle ante presente sui disegni di progetto.  
4. In case of composition with several doors, follow the numbering of the doors on the design drawings.

5. Fissare la prima anta a parete con silicone neutro. In caso di più ante usare il silicone anche tra le ante successive.  
5. Fix the first door to the wall with the neutral silicone. In case of multiple doors use the silicone also between subsequent doors.

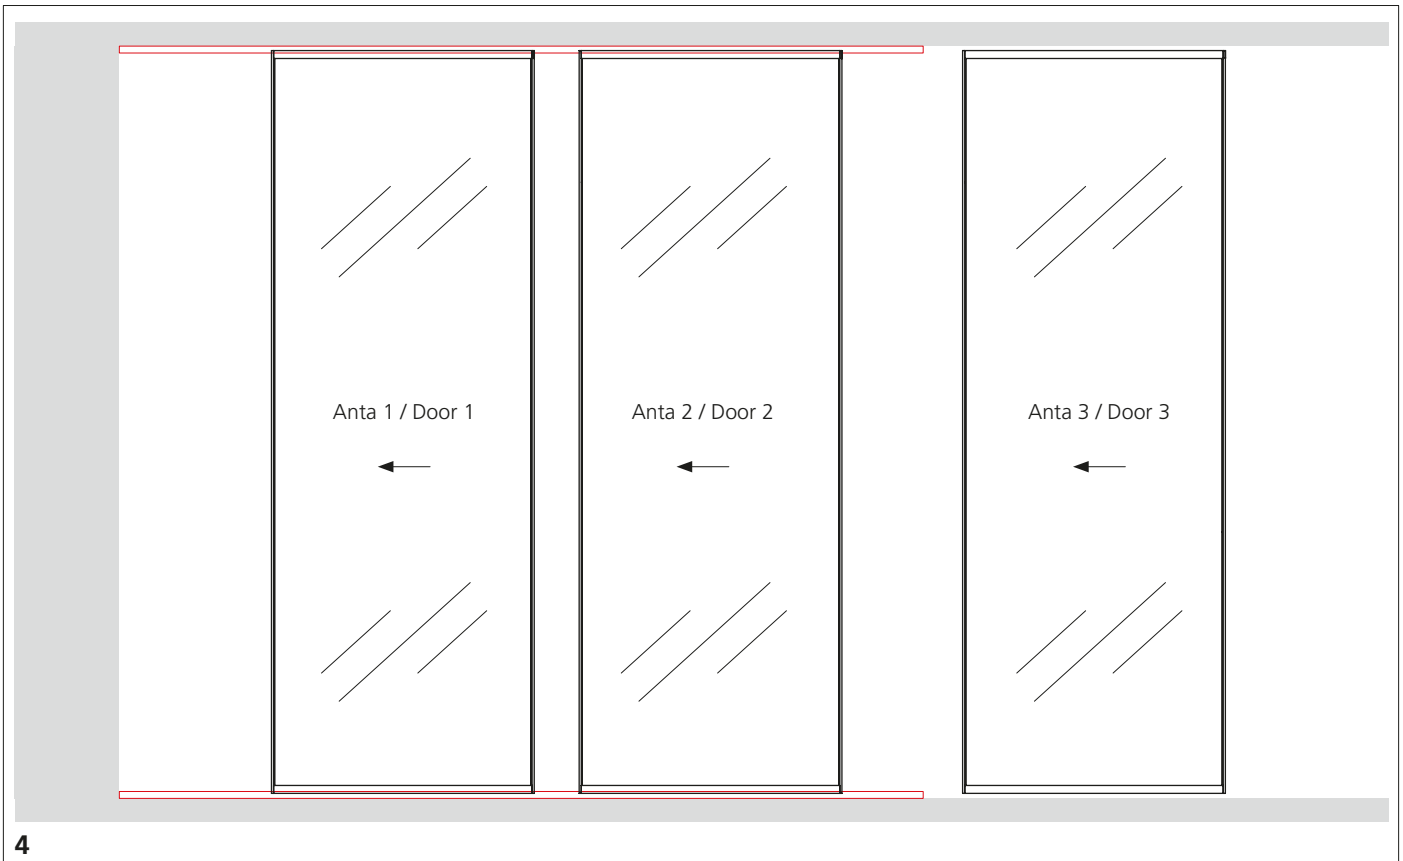

1. Rilevare le misure del vano e confrontarle con quelle riportate sul disegno di progetto allegato.
1. Check the measurements of the compartment and compare them with those reported on the drawing indications attached.

2. Fissare il profilo a soffitto ed il profilo a pavimento. Verificare la distanza laterale per infilare le ante.
2. Fix the profile to the floor and to the ceiling. Check the lateral distance to insert the doors.

**3. Infilare l'anta nei profili.**  
**3. Let the door slip into the profiles.**
